Important events to report: ESG materiality assessment

The management of One United Properties S.A. (hereinafter referred to as the "**Company**") informs the market about the availability of the ESG materiality survey. Material issues are economic, environmental, social and governance issues that could influence the company's ability to create value in the short, medium, and long term and its impact on the community.

The Company is inviting all its stakeholders, including but not limited to shareholders, potential investors, analysts, clients, employees, contractors, collaborators as well regulator, NGO, media representatives, to participate in the survey. The responses are anonymous, and the consolidated results will be used to develop the content of the 2022 Sustainability Report of the Company. The survey is available [HERE](#).

The annual reporting on the sustainability progress is part of a strategy that the Company began rolling out at the end of 2021, following the decision to join the UN Global Compact, the world's largest sustainability initiative. To date, the Company has published two Sustainability Reports for the financial years 2020 (available [HERE](#)) and 2021 (available [HERE](#)). In September 2022, One United Properties received the ESG rating from Sustainalytics (available [HERE](#)). More details about One United Properties' sustainability strategy and achievements can be found on dedicated page: <https://www.one.ro/en/sustainability/>.
