

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders,  
One United Properties S.A.

### Report on the Audit of the Separate Financial Statements

#### Opinion

1. We have audited the separate financial statements of One United Properties S.A. ("the Company"), with registered office in Bucharest District 1, MAXIM GORKI 20, identified by unique tax registration code 22767862, which comprise the separate statement of financial position as at December 31, 2021, and the separate statement of comprehensive income, separate statement of changes in equity and separate statement of cash flows for the year then ended, including a summary of significant accounting policies and notes to the separate financial statements.
2. The financial statements as at December 31, 2021 are identified as follows:
  - Net assets / Equity RON 582,034,516
  - Net profit for the financial year RON 40,714,517
3. In our opinion, the accompanying separate financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2021, and its financial performance and its cash flows for the year then ended in accordance with Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU.

#### Basis for Opinion

4. We conducted our audit in accordance with International Standards on Auditing (ISAs), Regulation (EU) No. 537/2014 of the European Parliament and the Council (forth named "the Regulation") and Law 162/2017 ("the Law"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), in accordance with ethical requirements relevant for the audit of the financial statements in Romania including the Regulation and the Law and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the matter
<p><b>Recognition of Revenues from services rendered</b></p> <p>As disclosed in Note 19 to the separate financial statements, revenues from services rendered recognized by the Company is recorded at RON 44.837.975 as of December 31, 2021 (31 December 2020: RON 31.975.434).</p> <p>Revenue is an important measure used to evaluate the performance of the company. There is a risk that the revenue is presented for amounts higher than what has been actually generated by the Company.</p> <p>For contracts relating to the services rendered, the Company has generally concluded that the overtime criteria are met and, therefore, recognizes revenue over time. They are based on the performance completed to date based on results achieved by the legal entities such as the value of the current investment, accounting profits and turnover generated. Given the nature of services rendered, the Company considers that the output selected would faithfully depict the entity's performance towards complete satisfaction of the performance obligation.</p> <p>Considering that the recognition of revenues relating to services rendered are mainly dependent on the outputs used to measure progress and involves judgements that significantly affect the determination of the amount and timing of revenue we have concluded that the recognition of revenue is a key audit matter that will be addressed in our audit.</p>	<p>The audit procedures adopted were substantive in nature and included the following:</p> <ul style="list-style-type: none"> <li>- Obtaining an understanding of the accounting policies used in the preparation of the separate financial statements, with respect to revenue recognition.</li> <li>- We tested samples of service agreements for accuracy of value of price and scope.</li> <li>- We tested key reconciliations used by the management to assess the completeness and accuracy of revenue.</li> <li>- We also tested the occurrence of revenues by agreeing a sample of revenues to supporting invoices.</li> <li>- Testing the revenues to all customers on by means of independent re-computation of the revenues, using the inputs in the service agreements signed between the parties.</li> <li>- Performing analytical procedures on all services rendered.</li> <li>- Assess the completeness and adequacy of disclosures related to revenue, including the key assumptions.</li> </ul>

## Other information

6. The administrators are responsible for the preparation and presentation of the other information. The other information comprises the Administrators' report, but does not include the separate financial statements and our auditor's report thereon.

Our opinion on the separate financial statements does not cover the other information and, unless otherwise explicitly mentioned in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the separate financial statements for the year ended December 31, 2021, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the separate financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

With respect to the Administrators' report, we read it and report if this has been prepared, in all material respects, in accordance with the provisions of Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU.

On the sole basis of the procedures performed within the audit of the separate financial statements, in our opinion:

- a) the information included in the administrators' report, for the financial year for which the separate financial statements have been prepared is consistent, in all material respects, with these separate financial statements;
- b) the administrators' report has been prepared, in all material respects, in accordance with the provisions of Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU;

- c) With respect to the Remuneration report under Law 24/2017, article no. 107, as of the date of this audit report we were not provided with the Company's Remuneration report.

## **Responsibilities of Management and Those Charged with Governance for the Separate Financial Statements**

7. Management is responsible for the preparation and fair presentation of the separate financial statements in accordance with Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU and for such internal control as management determines is necessary to enable the preparation of separate financial statements that are free from material misstatement, whether due to fraud or error.
8. In preparing the separate financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Separate Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the separate financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

15. We have been appointed by the General Assembly of Shareholders on 14<sup>th</sup> April 2018 to audit the financial statements of One United Properties S.A. for the financial year ended December 31, 2021. The uninterrupted total duration of our commitment, including previous reappointments for statutory auditor, has lasted for 5 years, covering the financial periods end December 31, 2017, till December 31, 2021.

We confirm that:

- Our audit opinion is consistent with the additional report submitted to the Audit Committee of the Company that we issued the same date we issued this report. Also, in conducting our audit, we have retained our independence from the audited entity.
- No non-audit services referred to in Article 5 (1) of EU Regulation no. 537/2014 were provided.

The engagement partner on the audit resulting in this independent auditor's report is Alina Mirea.

## Report on compliance with the Commission Delegated Regulation (EU) 2018/815 on the European Single Electronic Format Regulatory Technical Standard ("ESEF")

We have undertaken a reasonable assurance engagement on the compliance with Commission Delegated Regulation (EU) 2019/815 applicable to the separate financial statements included in the annual financial report of One United Properties S.A. ("the Company") as presented in the digital files which contain the unique LEI code 254900MLAOUEFANMAD8 ("Digital Files")

### (I) *Responsibilities of Management and Those Charged with Governance for the Digital Files prepared in compliance with ESEF*

Management is responsible for preparing the Digital Files that comply with ESEF. This responsibility includes:

- the design, implementation and maintenance of internal controls relevant to the application of ESEF;
- ensuring consistency between the Digital Files and the separate financial statements to be submitted in accordance with Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU.

Those charged with governance are responsible for overseeing the preparation of the Digital Files that comply with ESEF.

### (II) *Auditor's Responsibilities for the Audit of the Digital Files*

Our responsibility is to express a conclusion on whether the separate financial statements included in the annual financial report complies in all material respects with the requirements of ESEF based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with International Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000) issued by the International Auditing and Assurance Standards Board.

A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with ESEF. The nature, timing and extend of procedures selected depend on the auditor's judgment, including the assessment of the risks of material departures from the requirements set out in ESEF, whether due to fraud or error. A reasonable assurance engagement includes:

- obtaining an understanding of the Company's process for preparation of the digital files in accordance with ESEF, including relevant internal controls;

- reconciling the digital files with the audited separate financial statements of the Company to be submitted in accordance with Ministry of Public Finance Order no. 2844/2016, with subsequent amendments, for the approval of accounting regulations conforming with International Financial Reporting Standards as adopted by EU;
- evaluating if the financial statements contained in the annual report have been prepared in a valid XHTML format.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

In our opinion, the financial statements for the year ended 31 December 2021 included in the annual financial report in the Digital Files comply in all materials respects with the requirements of ESEF.

In this section, we do not express an audit opinion, review conclusion or any other assurance conclusion on the financial statements. Our audit opinion relating to the financial statements of the Company for the year ended 31 December 2021 is set out in the "Report on the audit of the separate financial statements" section above.
